Note:

1. The athletes listed in the table are distinguished using two font colours, namely Blue and Red.

Red font indicates athletes who have continued in the same age category as in the previous subsidising year.

Blue font indicates athletes who have moved up to a higher age category due to an increase in age, in accordance with the age brackets prescribed under the World Climbing Rules, as detailed below.

2. For athletes who remain in the same age category due to their age, their performance has been evaluated based on the same age category as the previous year.

For athletes who have transitioned to a higher age category, their performance from the previous year in the lower age category has been taken into consideration.

3. The age category used for ranking purposes has been determined strictly as per the eligibility requirements under the World Climbing Rules, applicable for participation in upcoming Asian and International competitions as per the World Climbing Calendar.
